**Pastors-In-Charge, LCEC and Lay Leaders, OSC Chairpersons,  
President of WSCS and Chairpersons of BOSC (TRAC, CAC, ETAC).**

Warm greetings in the name of Christ!

As the social concerns arm of the Methodist Church in Singapore (MCS), Methodist Welfare Services (MWS) partners with the MCS General Conference, Annual Conferences as well as Local Churches in providing opportunities for members to be involved in social concerns.

This year, by God's grace, MWS is marking 40 years of empowering people to have life to the full! As part of the celebrations, MWS is organising a virtual run, the **MWS Empowerun**, for Methodists to come together and raise funds for MWS services. We, our friends and families can be involved by completing **20km or 40km** each on any day or days between **23 October 2021 and 7 November 2021**. As the patron of MWS, I have also personally pledged my support by participating in the run.

MWS hopes to raise \$600,000 in support of over 8,000 people in need whom they serve. As a Methodist family, we can do our part to impact the lives of disadvantaged children, at-risk youths, distressed and low-income families, the socially isolated and the chronically ill, frail and destitute.

Registration is now open and closes on **3 October 2021**. Details can be found at [mws.sg/empowerun](http://mws.sg/empowerun). Please publicise the information attached to your church members.

*May God's Love strengthen you as we together seek to Love God by Loving our Neighbours*

Bishop Dr Gordon Wong
